

# Corporate Bank Account Opening

Before you approach a bank or apply for an account, you need to know what you're looking for: *What products and services do you need? What are your "must-haves"?*

To help with this, we've broken down the most commonly requested banking needs that most people look for when opening an account offshore. Your goal is to narrow down the list of potential banks that you want to consider applying to in order to save time and money.

Consideration	Your desired level of service	Level of service offered
Multi-currency offering		
Checkings account		
Savings account		
Online banking		
Remote opening		
Remote transaction execution		
Ability to avoid fees		
Debit card		
Secured credit card		
Regular credit card		
Desired initial deposit		
Desired monthly balance		
Desired annual fees		
Desired opening fee		
Desired transaction fee
