OFFICIAL OPENING OF GLP'S PERTH OFFICE

Dated 2 April 2020

Dear trusted clients and business associates

It is with much pleasure and excitement that we announce the opening of our first offshore legal practice outside of Malaysia located in Perth, Western Australia.

The practice will be led by Nigel Lo as Managing Partner for Perth.

GLP has successfully resolved thousands of high stakes and complex legal disputes since 1984. We believe in helping our clients achieve their business objectives in the most cost efficient and timely manner. We have worked with state and federal governments in various South East Asian countries and our lawyers and consultants have been instrumental in some of the region's most exciting projects.

The structure of our Perth practice, legal technology and innovation strategy is designed to deliver quality legal services at significantly better speed and price point than the traditional law firm model.

In light of the COVID-19 pandemic, our lawyers and consultants are committed to providing the same excellent service to our clients during these difficult times. Our lawyers are equipped to work remotely and to attend to clients and the court by audio and video conferencing. Following the Australian Government's advice to practice social distancing, we have ceased face-to-face meetings with clients unless absolutely necessary.

Thank you, keep well and keep safe. We will get through this.
